SUB: LETTER OF RECOMMENDATION FOR MAJOR PROJECT/INTERNSHIP

Dear Sir

It is a pleasure to introduce Sikkim Manipal Institute of Technology (SMIT). SMIT is a constituent college of the Sikkim Manipal University.

SMIT is a part of the renowned Manipal Group, presently consisting of 3 universities, 11 campuses, 24 professional colleges, 70,000 students, 180,000 alumni, students from 41 countries and 11 Hospitals in India and abroad. All the courses offered are approved by AICTE and accredited by NAAC. Selection to the courses is purely on merit through either AIEEE or MUOET (online test conducted by the Manipal Group).

SMIT is today India's premier technology and management institute, the edifice of which exhibits a globalized outlook to learning. Based in Majitar, East Sikkim near West Bengal – Sikkim border since 1997, the campus spread over 35 acres in a picturesque valley surrounded by green hills blessed with nature's finest gifts on the banks of river Teesta. The state-of-the-art campus is the home of over 3000 students, an eclectic mix of 205 erudite faculty and industry experts, a large and efficient team of support staff and international standard infrastructure has an ideal set up for quality education, healthy lifestyle and all-round growth of the students.

We have a unique curriculum wherein the final semester of B-Tech/MCA students is industrial internship. The internship is for a minimum period of 16 weeks training from Jan'2021. The internship is mandatory and is a part of academic curriculum, assessed by a mentor in the organization where they work practically as employees/trainees for 5 days a week without a stipend or in lieu of a stipend, if applicable.

I am requesting you, if you might be able to offer our student with opportunities for doing his/her Project Based Internship in your esteemed organization/Institute during Jan-May 2021.

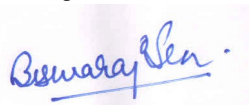

I am pleased to recommend the name of the following 4th year student with a request to you to offer him major project during his 8th semester in your esteemed organization /Institute.
